PERMANENTLY RESET YOUR CLOCK TO MATCH HEAVEN'S TIME ZONE

In Leviticus, God instituted the Law of Jubilee to recover losses in the 50th year. 2015-2016 is recorded as the final Jubilee on the Jewish calendar. What if you miss it? You would never experience it again or at all. What changed since Jesus is now our Jubilee? Like a number of other laws, it was fulfilled, not eliminated. View “fulfill” as to *gorge* you with blessings, not *gouge* you so the curse empowers you to lose out. “God anointed Jesus of Nazareth with the Holy Ghost and power who went about going good and healing all that were opposed of the devil, for God was with Him”, Acts 10:38. Jesus reset Jubilee; it is eternal and perpetual. God’s grace raised the time barrier so we access freedom now in every area—healing, finances, relationships, etc. The impotent man at the pool of Bethesda 38 years, the woman who was bowed down 18 years, the woman with the issue of blood 12 years as well as told and untold others received Jubilee. As they sought Jesus—not their miracle—He released the emancipation heaven stored up, rendering the curse powerless. Supernaturally redeeming time, He gave newness of life to them all. They received heaven-born possibilities, liberation. When Jesus removed time, He also removed torment. Blind Bartimaeus was convinced his moment in time had come; along with having sight, he would never have to beg again. To prove what he believed, his faith pressed through until he reached Jesus who extended mercy to him in his time of need. Many obstacles persisted, but he never allowed any of them to hinder him; the vision he had on the inside ignored them all. At the end of his faith, he received the promise he desired without the wait. If its said that you will have something undesirable all of your life, tell them you are operating under a better time zone.

THE LAW OF FAITH MOVES JUBILEE FROM LATER TO NOW

Mary was absolutely certain God fathered Jesus through Holy Spirit, although the others in the synagogue wondered how could Jesus really announce Jubilee, just being Joseph’s son. I believe she held Jubilee in her heart as she mentioned to Jesus there is a wine shortage at the Cana wedding. Although Jesus replied, “It’s not my time”, her directive to the servants made a bold statement that the time is now. Connected to her endless source of supply, her faith dispensed wine just-in-time, recorded as Jesus’ first miracle performed. Research shows it takes 2 years to harvest a grapevine from seeds; then 6 to 12 months to ferment. To be of the highest caliber, it must age an additional 20-30 years. From the host’s response, it was indeed the best. The law of faith works the same way every time you work it. Jubilee is now. The wait is over, but expecting is not. Make a demand with your faith every time.

SEASONLESS NEVER CHANGES: LIVE IN SEASON AND OUT OF SEASON

“The Spirit of the Lord the Eternal One is on Me. *Why?* Because the Eternal designated Me to be His representative to the poor, to preach good news to them. He sent Me to tell those who are held captive that they can now be set free, and to tell the blind that they can now see. He sent Me to liberate those held down by oppression. *In short, the Spirit is upon Me* to proclaim that now is the time; this is the jubilee season of the Eternal One’s grace. Jesus rolled up the scroll and returned it to the synagogue attendant. Then He sat down, *as a teacher would do*, and all in the synagogue focused their attention on Jesus, *waiting for Him to speak*. He told them that these words from the Hebrew Scriptures were being fulfilled then and there, in their hearing”, Luke 4:18-21, Voice. Jesus was citing Isaiah 61:1-4, Voice. “*He has sent me* to announce the year of jubilee, the season of the Eternal’s favor: *for our enemies* it will be a day of God’s wrath; For those who mourn it will be a time of comfort.” Jesus announced He just changed the dynamics, from a 50-year waiting period to “seasonless.” Grace fulfilled—not replaced—the law; it gave us promises we were never qualified to receive. The time has arrived: Jubilee is now our glorious and triumphant state.

Thought for Transformation

Holy Spirit is our credible witness in heaven and on earth; He bridges us to eternity—the realm of God. Since our spirit never dies or even sleeps, we are connected to timeliness. Living through Christ, we hold a preset supernatural disposition. We then can see Jesus as He really is so we can be like He is in this world.

Be an Extension of Jesus

Jesus ushered in the kingdom of God; His earthly ministry also changed the time management system, so we can master living the days of heaven on earth. He made us fully free, fully fenced, fully furnished. As we seek the Kingdom of God as our priority, that realm moves us forward in time, in place and occasion. It takes you from one level of glory to the next level of glory. As we change our perception to fully align with His, He promises that we will do the same miracles and even greater signs and wonders. As we recognize the presence and power of Holy Spirit within us, we can and will release the Kingdom of God in and around us at anytime, anywhere to anyone. Say aloud, “Holy Spirit within, release the kingdom of God into this setting right now”. Now can’t stay bound to time.
